Introduction and Background.

Child Africa is a designated non-profit child centered development organization founded and established in 1991 by Rino and Julie Solberg, who have been living and doing business in East Africa for a number of years. Since then, Child Africa has been working in Uganda helping poor, needy and disadvantaged children to access the right to quality education and care, health, protection and participation. Child Africa has helped approximately 15,000 children, their families and communities in different parts of East Africa over the years. In Uganda, projects and Child Africa schools are located in Central and Western Regions. However, other children are supported at different levels including pre-primary, primary, secondary, vocational and university in other districts around the country. While in Kenya, we have helped build and renovate schools in Kiambere and Mboti regions. With support from sponsor parents around the world, Child Africa will be able to help tens of thousands of children in the years to come.

Our Difference:

We take a personalized, child centered, community led approach to development. We are transparent, cherishing integrity and honesty, seeking long-term impact. We are a catalyst for transformation through child development not charity. We seek to create long-term impact through increasing access to quality education and development for children.

For more information about Child Africa, please visit our web site at www.childafrica.org or come to our offices on Plot 1908/9 Mitala Road, Kansanga, Kampala or Contact our Managing Director-Julie Solberg on 256 752896205/71 1896205

Our Work Approach.

Children are at the heart of everything we do. We work with children, their families, community organisations, faith based institutions and local governments to transform the lives of the children themselves and the communities that surround them

The Bingwa Magazine.

Child Africa also supports child right based programs and the fight against corruption through the production of the "Bingwa Magazine" (Champion), which is distributed FREE to over 5000 schools in East Africa each getting 5 copies per term, and introduces to young children the spirit and culture of **honesty and integrity** that will strengthen the fight of corruption against upcoming leaders, which further underpins the organization's vision and mission.

Organization's Strategic Statements.**Vision:**

To help millions of children get quality education and teach Honesty and Integrity as a tool to fight poverty and corruption.

Mission:

To guide, encourage and inspire the children of Africa to be champions of integrity in order to eradicate corruption by:

- incorporating up to 20% deaf children into every school we build in Africa and to teach the other 80% of the student's sign language, in order to get 100% communication between the deaf and the hearing children.
- teaching **HONESTY AND INTEGRITY** as a formal subject in all our schools as a tool to fight poverty and corruption and expect to be one of the leading schools in academic standards in all the countries where we are established.
- developing a reading culture in children by publishing a children magazine "**BINGWA**" for free distribution of 10 copies to each schools every term.
- building and running the following types of educational institutions in Africa:

Nursery schools

Primary schools

Secondary schools

Vocational Schools

Universities

- enabling deprived children, their families and their communities to meet their basic needs and to increase their ability to participate in and benefit from their societies
- promoting the rights and interests of the world's children.
- being the best children's organization in communication between children and their sponsors.
- letting the monies given from sponsors to children go only to children related work and not to administration of Child Africa in general.
- covering all administrative costs from other sources than what is given from sponsors to children.
- trying to find the children that need help the most.
- apart from top management, we will only use local workers for our projects in each country.
- building and running our own schools in the countries we work.
- working together with the government in each country we are in.
- following up our children and give them special training after school.
- teaching our children how to be self-sufficient in their life.
- trying to maximize the effect of our help programs.

Organisation's Strategic Objectives.

- a. Providing education and development for needy children and orphans.
- b. Providing welfare and opportunities for the needy children and orphans.
- c. Linking sponsors to children through the website.
- d. Building and managing child centers and schools for our children
- e. Supporting other organizations of similar nature
- f. Development and Publishing of educational materials
- g. Strengthening health of the children, their families and the communities
- h. Empowering people living in poverty
- i. Protecting the environment in which the children grow
- j. Enhancing the protection and participation of children in all matters which affect them
- K. To equip less privileged children with life and leadership skills to enable them live healthier, productive and responsible lives.
- L. To create opportunities for less privileged children to access self or gainful employment.

Our core values:

- Honesty and integrity.
- Hard work, going the extra mile.
- Respect for diversity.
- Fairness, Equity and Justice
- Solidarity with the poor.
- Respect for the rights of children
- Team Work.

ACTIVITIES

Child Africa undertakes Child Sponsorship as the Core Activity of the organization; supporting children right from pre-school through primary, secondary, vocational and up to University level. The organisation believes education provides knowledge and skills for development and growth of an individual and that a well-educated population lives in social harmony.

The table below shows the children who were sponsored in the various categories;

| Kampala | Equator | Kabale |
|----------------|----------------|---------------|
| 21 primary | 87 primary | 225 primary |
| 7 secondary | 19 secondary | 136 secondary |
| 4 university | 3 University | 11 University |

The major activities included among others:-

- Providing education and development for orphans and other needy children
- Providing welfare and opportunities for the children
- Linking sponsors to children
- Building and managing child centers and schools for children
- Cooperate with other organizations of similar nature
- Development and Publishing of Educational materials (Bingwa magazines, corruption flyers etc...)

STATEMENT OF THE PROJECT MANAGEMENT'S RESPONSIBILITIES

The Companies Act 2012 and NGO regulations requires management to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the project at the end of each financial year and of the operating results for that year. In respect of those financial statements, the Board is required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with accounting policies and guidelines of the company. They are also responsible for the safeguarding of the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are ultimately responsible for the internal controls. The Trustees delegate the responsibility for the internal controls to management. Standards and systems of internal control are designed and implemented by management to provide reasonable assurance as to the integrity and reliability of the financial statements and to adequately safeguard, verify and maintain accountability of the company's assets.

To accept responsibility for the annual financial statements, which have been prepared using the appropriate accounting policies supported by reasonable and prudent judgments and estimates, in conformity with International Financial Reporting Standards and in the manner required by the Companies Act.

The Trustees are of the opinion that the Financial Statements give a true and fair view of the state of financial affairs of the Company and of its operating results. The Trustees further accept responsibility for the maintenance of accounting records, which may be relied upon in the preparation of the financial statements, as well as adequate systems of internal financial control.

Nothing has come to the attention of the Trustees to indicate that the organization will not remain a going concern for at least the next twelve months from the date of this statement.

Signed:

Managing Director

National Program Director

A. Objective of the Audit

- The objective of the audit of the financial statements is to enable the auditor to express a professional opinion on the financial position of **CHILD AFRICA** at the end of each year and on funds received and expenditures incurred for the relevant accounting period.
- The books of account provide the basis for preparation of the financial statements by **CHILD AFRICA** and are established to reflect the financial transactions in respect of the organization. Management maintains adequate internal controls and supporting documentation for transactions.

B. Preparation of Annual Financial Statements

- The responsibility for the preparation of financial statements including adequate disclosure is that of the management of **CHILD AFRICA**. Management is also responsible for the selection and application of accounting policies and prepare the financial statements in accordance with International Financial Reporting Standards (IFRS) and Non-Government Organization Board (NGO) Act, regulations and guidelines.
- The auditor is responsible for forming and expressing opinions on the financial statements. The auditor would carry out the audit of the project in accordance with the International Standards on Auditing (ISA), as promulgated by the International Federation of Accountants (IFAC) and ISSAIs (International Standards of Supreme Audit institutions) issued by INTOSAI. As part of the audit process, the auditor may request from the management of **CHILD AFRICA** a written confirmation concerning representations made in connection with the audit.

Audit Scope

These terms of reference address audit requirement for the audit of financial statements of **CHILD AFRICA** covering period 1ST January to 31ST December 2014.

The audits should be carried out in accordance with International Standards of Auditing (ISA), ISSAIs (International Standards of Supreme Audit institutions) issued by INTOSAI and International Financial Reporting Standard (IFRS). In complying with International Standards on Auditing, the auditor is expected to pay particular attention to the following matters:

a) Fraud and Corruption:

Consider the risks of material misstatements in the financial statements due to fraud as required by ISA 240: The Auditor's Responsibility to Consider Fraud in an Audit of Financial Statements. The auditor is required to identify and assess these risks (of material misstatement of the financial statements) due to fraud, obtain sufficient appropriate audit evidence about the assessed risks; and respond appropriately to identified or suspected fraud;

b) Laws and Regulations:

In designing and performing audit procedures, evaluating and reporting the results, consider that noncompliance by the management of Child Africa with Non-Governmental Organization's Board (NGO) laws and regulations may materially affect the financial statements as required by ISA 250: Consideration of Laws and Regulations in an Audit of Financial Statements;

c) Governance:

Communicate audit matters of governance interest arising from the audit of financial statements with those charged with governance of an entity as required by International Standards on Auditing 260: Communication of Audit Matters with those Charged with Governance;

d) Risks:

In order to reduce audit risk to an acceptable low level, determine the overall responses to assessed risks at the financial statement level, and design and perform further audit procedures to respond to assessed risks at the assertion level as required by International Standard on Auditing 330: the Auditor's Procedures in Response to Assessed Risks.

e) Access to Facilities and Documents

The auditor will have full and complete access at any time to all records and documents including books of account, legal agreements, minutes of board meetings, bank records, invoices and contracts etc.

KAL ASSOCIATES

Certified Public Accountants

REPORT OF INDEPENDENT AUDITORS TO BOARD OF TRUSTEES OF CHILD AFRICA FOR THE YEAR ENDED 31ST DECEMBER 2014

We have audited the Financial Statements of **CHILD AFRICA**, which comprise the statement of financial position as at 31st December 2014, the statement of comprehensive income, the statement of fund balances for the year then ended, and the related notes.

Responsibilities of the Management

The Management is responsible for the preparation and the fair presentation of these financial statements in accordance with International Financial Reporting Standards and the other relevant laws of Uganda.

This responsibility includes maintaining internal control relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies that are consistent with International Financial Reporting Standards, and making accounting estimates that are reasonable in the circumstances.

Responsibilities of the Independent Auditors

We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Financial Statements. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatements of the Financial Statements, whether due to Fraud or Error. In making those risk assessments, the Auditor considers internal controls relevant to the entity's presentation and fair presentation of the Financial Statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Management, as well as evaluating the overall presentation of the Financial Statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on the work performed, the Financial Statements give a true and fair view of the Project's financial position as at 31st December 2014 and the results of its operations for the year then ended in accordance with Generally Accepted Accounting Principles and International Financial reporting Standards.

Report on other legal and regulatory requirements

As required by the Ugandan Companies Act 2012 and NGO Board we report that:

- i. We have obtained all information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit.
- ii. The Organisation's Statement of Financial Position and the Comprehensive Income and Expenditure Statement are in agreement with the books of account.
- iii. In our opinion, proper books of account have been kept by the company, so far as appears from our examination of those books.

NOTES: SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED 31ST DECEMBER 2014**General Information**

Child Africa is a Non Government Organisation (NGO) which was registered and incorporated in Uganda in 2004 as per the registration certificate No. S.5914/3841 dedicated to helping disadvantaged children to acquire quality formal education and care. The Organisation also supports children with basic needs such as food, clothing, health, psychosocial support among others. It is domiciled in Uganda, The address of its registered office and principal place of business is Plot 1908/9 Mitala, Kansanga- Kampala.

Basis of preparation

These financial statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SMEs) issued by the International Accounting Standards Board. They are presented in Uganda Shillings. The measurement basis used is the historical cost basis.

The preparation of financial statements in conformity with International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SMEs) require the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the company's accounting policies. Areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 3(b).

Summary of significant accounting policies**a) Revenue recognition**

Donor funds are recognized in the period in which the organization receives funds from donor agencies for the implementation of agreed upon programme activities.

Also recognizes other revenues when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and when the specific criteria have been met for each of the Organization's activities. The amount of revenue is not reliably measured until all contingencies relating to the sale have been resolved. The organisation bases its estimates on historical results, taking into consideration the type of customer, type of transaction and specifics of each arrangement.

Significant judgments made by management in applying the company's accounting policies

Impairment of trade receivables; the company reviews its portfolio of trade receivables on an annual basis. In determining whether receivables are impaired, the management makes judgment as to whether there is any evidence indicating that there is a measurable decrease in the estimate future cash flows expected.

Borrowing

Borrowings are initially recognised at transaction price, net of transaction costs incurred and are subsequently stated at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognised as interest expense in the profit or loss under finance costs.

Borrowings are classified as current liabilities unless the organization has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Receivables

Trade receivables are initially recognised at the transaction price. Most sales are made on the basis of normal credit terms, and the receivables do not bear interest. Where credit is extended beyond normal credit terms, receivables are measured at amortised cost using the effective interest method. At the end of each reporting period, the carrying amounts of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in profit or loss.

Foreign exchange

Transactions in foreign currencies during the year are converted into Uganda Shillings (the functional currency), at the rates ruling at the transaction dates. Assets and liabilities at the reporting date which are expressed in foreign currencies are translated into Uganda Shillings at the rates ruling at that date. The resulting differences from conversion and translation are dealt with in the profit or loss in the year in which they arise.

Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is determined by the first-in-first-out (FIFO) method. The cost of finished goods and work-in-progress comprises raw materials, direct labour, other direct costs and related production overheads (based on normal operating capacity), but excludes borrowing costs. Net realizable value is the estimate of the selling price in the ordinary course of business, less the costs of completion and selling expenses.

Property and Equipment

All property, plant and equipment comprising of motor vehicles, furniture and fittings, computers, faxes and copiers are initially recorded at cost and thereafter stated at historical cost less depreciation. Historical cost comprises expenditure initially incurred to bring the asset to its location and condition ready for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost can be reliably measured. The carrying amount of the replaced part is derecognized. All other repairs and maintenance are charged to profit or loss during the financial year in which they are incurred.

Depreciation on equipment is calculated on reducing balance basis to write down the cost of each asset, to its residual value over its estimated useful life using the following annual rates:

| | <u>Rate %</u> |
|------------------------|----------------------|
| Motor vehicle | 20 |
| Furniture and fittings | 12.5 |
| Computer equipment | 20 |
| School equipment | 12.5 |
| Land & Buildings | NIL |

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposal of property and equipment are determined by comparing the proceeds with the carrying amount and are taken into account in determining operating profit/loss.

Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents comprise cash in hand, deposits held at call with banks, and financial assets with maturities of less than 12 months, net of bank overdrafts and money market lines.

In the statement of financial position, bank overdrafts are included within borrowings in current liabilities.

Taxation

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In this case, the tax is also recognised in other comprehensive income and equity.

Current tax

Current tax is provided on the results for the year, adjusted in accordance with tax legislation.

Deferred tax

Deferred tax is provided using the liability method for all temporary timing differences arising between the tax bases of assets and liabilities and their carrying values for financial reporting purposes. Currently enacted tax rates are used to determine deferred tax. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which temporary timing differences can be utilised.

Retirement benefit obligations

The Organisation and its employees contribute to the National Social Security Fund (NSSF) a statutory defined contribution scheme registered under NSSF Act. The company's contributions to the defined contribution scheme are charged to profit or loss in the year to which they relate.

Trade payables

Trade payables are obligations on the basis of normal credit terms and do not bear interest. Interest bearing liabilities are subsequently measured at amortised cost using the effective interest method.

Comparatives

Where necessary, comparatives figures have been adjusted to conform to changes in the presentation in the current year.
